各位老師，各位同學，大家午安，我是 702 陳政陽，我是今天的英文小達人，今天，我要為大家播報的內容，是 The Wallet

From my diary

I found a wallet in the street on my way to school a few months ago. There was some money in it but no name or address. I took the wallet to the police station. I told the police officer where I had found it and at what time I found it. I also gave him my name, address, and phone number.

The policeman called me today and asked me to come to the police station. When I got there, he told me that no one had come and asked for the wallet. He said I could have it. I thought about this. It was a good wallet, and I need a new one. However, I didn't want the money. I said, "I'll take the wallet, but please give the money to the charity."

The policeman said he was very happy to do this. I felt happy about it, too.

Thanks for your listening. See you next time!
